SCHOOL'S MISSION

We provide a prodigious and propitious atmosphere for the integrated evolution of our students. Along with emphasizing the holistic growth of the students, we also provide equal opportunity to each student to identify their acumen and be pioneers in their respective fields. Hence, fostering each student to be a prudent global citizen.

BACK TO SCHOOL

On a cheerful Monday morning, the school auditorium buzzed with excitement as students, teachers, and staff gathered for the back-to-school assembly. The principal welcomed everyone warmly, outlining goals for the new academic year. SRGIans were urged to participate in extracurricular activities. The assembly concluded with a lively cheer, leaving everyone eager and optimistic for the year ahead.

The back-to-school assembly was held in the school ground and was attended by students, teachers, and staff to kick off the new academic year. The assembly concluded with a rousing cheer from the audience, leaving everyone motivated and ready for the challenges and opportunities of the year ahead.

वन महोत्सव

PLANTATION DRIVE

The Van Mahotsav celebration, held last week at our school, was a vibrant event emphasizing the importance of planting trees. Students, teachers, and volunteers gathered in the school garden to plant saplings of various species. SRGians highlighted how trees play a crucial role in maintaining ecological balance by providing oxygen, improving air quality, and supporting wildlife habitats. Students presented skits and poems, creatively expressing the environmental and social benefits of afforestation. Teachers also shared insights on how trees help combat climate change and prevent soil erosion. The event concluded with a pledge by everyone to plant and care for more trees in their communities. This celebration reinforced the critical message that planting trees is vital for a sustainable future.

ACCOLADE CEREMONY & "नमन" GURU PURNIMA ASSEMBLY

(GRADE - M3)

The Felicitation ceremony, followed by the Guru Purnima assembly, took place last Friday in the school auditorium, marking a day of recognition and reverence. The ceremony began with the principal presenting awards to students who had excelled in academics, sports, and extracurricular activities. Proud parents and teachers applauded as the student council leaders were formally invested with their badges, symbolizing their new responsibilities.

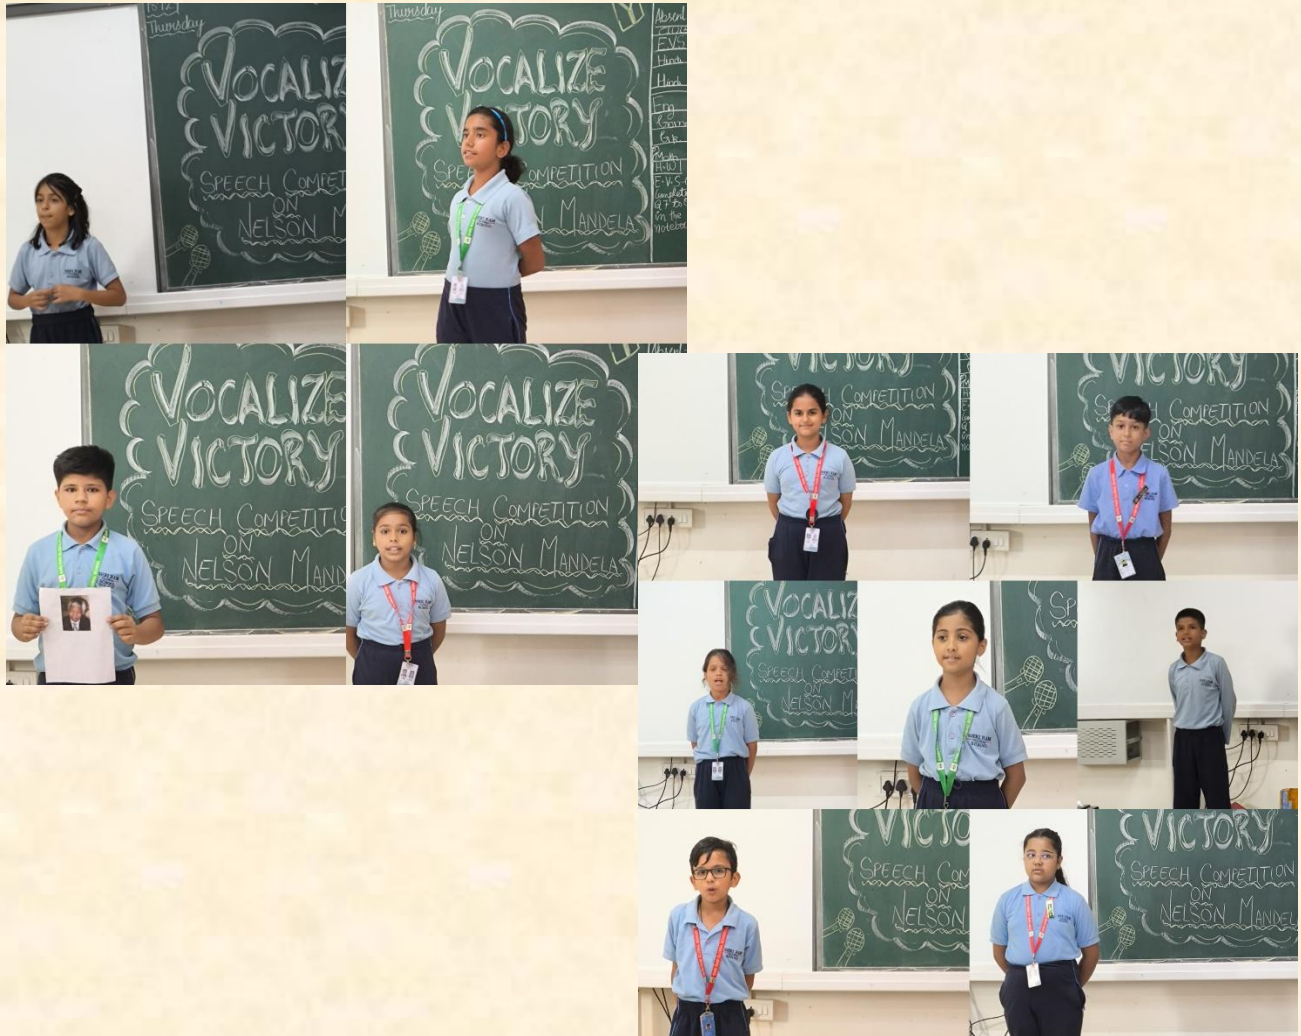

Following the investiture, the Guru Purnima assembly commenced, celebrating the significant role of teachers and mentors in shaping young minds. Students from various grades performed skits and dances honoring their gurus, reflecting the respect and gratitude owed to educators. The event concluded with a heartfelt speech by the principal, encouraging students to cherish and respect their mentors throughout their lives.

VOCALIZE VICTORY

Speech Competition on Nelson Mandela Day

GRADE - P3

The “Vocalize Victory” speech competition for Grade 5 was held on Nelson Mandela Day, celebrating the legacy of the great leader. Students gathered in the school auditorium, eager to share their insights and tributes. Each participant delivered a speech highlighting Mandela’s fight for justice, equality, and human rights. The young speakers conveyed how his life and values continue to inspire change and encourage global unity. Everyone was impressed by the depth of understanding and passion shown by the students.

"काव्यांजलि"

Hindi Poem Recitation on Moon Day GRADE – FY 4

The "Kavyanjali" Hindi poem recitation took place on Moon Day for Grade 2 students in the school auditorium. The event was organized to celebrate the wonders of the moon and spark creativity in young minds. Each student selected and recited a Hindi poem about the moon, its beauty, and its magical presence in the night sky.

Everyone present there was delighted to watch the children perform with enthusiasm and confidence. Some poems described the moon as a friendly companion to the stars, while others likened it to a guiding light for dreamers. The young participants' expressive gestures and clear articulation captivated the audience.

WORKSHOP ON DISASTER MANAGEMENT

The workshop on disaster management, held on the school premises, was an enlightening and educational event. Students, teachers, and staff gathered together to learn crucial skills for handling emergencies. The session kicked off with a presentation by local disaster management experts, who explained various types of disasters, including earthquakes, floods, and fires.

The experts demonstrated essential safety protocols and evacuation procedures. Interactive activities, such as mock drills and role-playing scenarios, were conducted to help participants practice their responses to different disaster situations. Students learned how to create emergency kits, understand evacuation routes, and perform basic first aid.

The workshop emphasized the importance of preparedness and quick action. By the end, everyone felt more confident and equipped to handle potential disasters. The workshop received positive feedback, with many appreciating the practical knowledge and hands-on experience provided.

PI BRACELET MAKING COMPETITION GRADE M1

The Pi Bracelet Making Competition for Grade M1 took place last week with great enthusiasm. Students eagerly participated, showcasing their creativity and mathematical skills. Each participant was tasked with creating a bracelet that represented the digits of Pi using different colored beads. The event aimed to combine fun with learning, allowing students to grasp mathematical concepts in an engaging way.

The competition saw a diverse array of designs, each uniquely capturing the essence of Pi.

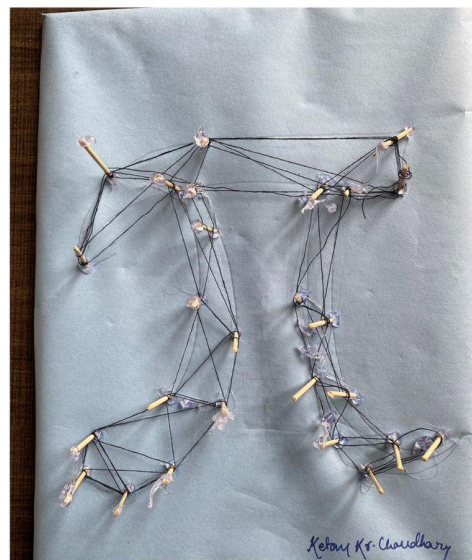

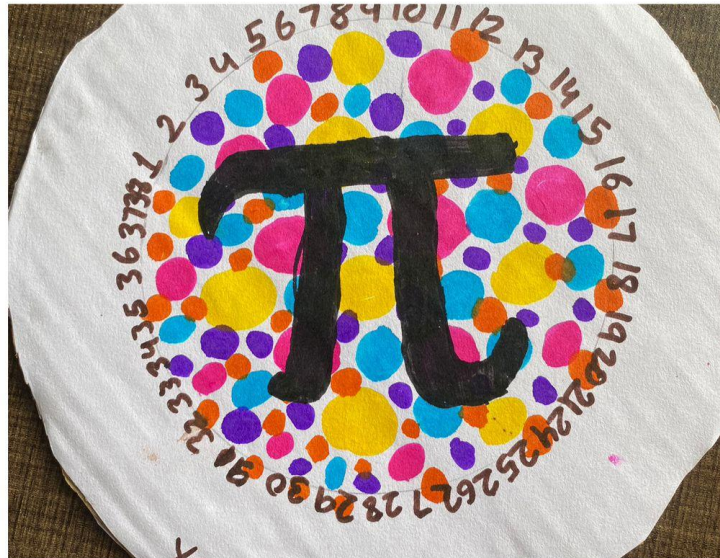

Overall, the event was a resounding success, fostering a love for mathematics among the students and providing a platform for them to express their creativity. The excitement and joy on the students' faces made the competition a memorable experience for everyone involved express their creativity.

PI CRAFT COMPETITION GRADE M2

The Pi Craft Competition for Grade M2 was held recently, attracting enthusiastic participation from the students. Each student crafted unique projects inspired by the mathematical constant Pi. The competition aimed to enhance students' understanding of Pi through hands-on creativity.

The event was a great success, sparking interest in mathematics and creativity among the students, making it a memorable and educational experience for all.

WORKSHOP ON CPR

The recent workshop on CPR, held at SRGS, was a resounding success. Participants gathered to learn life-saving techniques from certified instructors. The session commenced with a detailed explanation of the importance of CPR in emergency situations, followed by a step-by-step demonstration. Attendees were shown how to perform chest compressions and rescue breaths effectively.

Throughout the workshop, participants engaged in hands-on practice using mannequins, receiving personalized guidance from the instructors. They learned how to assess an emergency, call for help, and execute CPR correctly. The interactive nature of the workshop allowed everyone to ask questions and clarify their doubts. By the end, all attendees felt more confident in their ability to perform CPR in real-life scenarios.

Feedback was overwhelmingly positive, with many expressing gratitude for the practical skills they had acquired. The workshop not only educated but also empowered the community to respond effectively in emergencies.

MATHEMATICAL CALENDER MAKING COMPETITION

GRADE S1-S3

The Mathematical Calendar Making Competition for Grades S1-S3 was held last month, drawing enthusiastic participation from students. Each participant created a calendar integrating mathematical concepts and creative designs. The aim was to blend art with mathematics, fostering a deeper appreciation for both subjects.

Students presented a variety of calendars, each featuring unique themes, mathematical problems, and decorative elements. The event was a resounding success, sparking interest in mathematics and creativity among the students. It provided a fun and educational platform, making it a memorable experience for everyone involved.

LEADERSHIP CAMP

The leadership camp, held last weekend at the serene camp site, was an enriching experience for the participants. Students from various grades gathered to develop their leadership skills and foster teamwork in a picturesque setting surrounded by nature. The camp began with ice-breaking activities designed to help students bond and build trust.

Throughout the weekend, participants engaged in various workshops and challenges, including problem-solving tasks, communication exercises, and team-building games. These activities encouraged students to step out of their comfort zones and demonstrate initiative, collaboration, and creativity. Experienced facilitators guided the students, sharing valuable insights on effective leadership and decision-making.

Evening campfires provided an opportunity for reflection and sharing experiences, allowing participants to connect on a deeper level. By the end of the camp, students had not only developed leadership skills but also formed lasting friendships and a strong sense of community. The camp concluded with a ceremony where each participant received a certificate, recognizing their growth and achievement.

KARGIL VIJAY DIWAS & INTERNATIONAL TIGER DAY GRADE - P1 & P3

The assembly held last Monday commemorated Kargil Vijay Diwas and the “Roar for Tigers” campaign. The event began with a solemn tribute to the Kargil War heroes, where students and staff paid their respects through a special presentation and a moment of silence. The principal highlighted the bravery and sacrifices of the soldiers and urged everyone to honor their legacy.

Following this, the focus shifted to the “Roar for Tigers” campaign. Students participated in a vibrant skit and sang songs to raise awareness about tiger conservation. They shared facts about the critical status of tigers and the importance of protecting their habitats. The assembly concluded with a pledge from the entire school community to support conservation efforts and raise awareness about endangered species.
