**STRUCTURAL STABILITY CERTIFICATE**

This is to certify that Shri Ram Global School (Delhi–West),58/11, PVC Market Road, Tikri Kalan, New Delhi – 110 041 is being run by H.L Beri Memorial Educational Society, a registered society under the Societies Registration Act XXI of 1860.

On visual inspection of the school building along with Mr. Varun Kumar, Accounts officer on 23.01.2026, it is observed that:

The building is a single block structure comprising Ground Floor, First Floor, Second Floor, and Third Floor.

The building is provided with a lift.

The structure is constructed as an RCC framed structure with spread foundations.

The walls are constructed with 9-inch thick brick masonry.

The building is being used as a school building.

The building comprises of:

G.F. – Administrative block, Classrooms and washrooms.

F.F. – Library, Hall for gathering, classrooms, washrooms.

S.F. – Classrooms, Washrooms.

Th.F.- Classrooms, washrooms.

Based on the visual inspection of the structural components such as columns, beams, slabs, and masonry walls, and considering the present condition of the structure, no apparent signs of structural distress were observed at the time of inspection.

Hence, the structure is found to be structurally stable and safe for its intended use as a school building, subject to normal maintenance and usage.
